FLEXIBLE SCHEDULING AT SOUTHLAKE

CLC makes it easier for you to learn on your own time. With Flex Path Day classes, combine online learning with in-person classes through smart scheduling structured curriculum.

If the weekends work best for you, Super-Charged Saturdays offer classes in eight-week increments, two courses at a time. You can focus on fewer courses while earning credits just as quickly.

“CLC offers an opportunity to continue your education without having to sacrifice other priorities. You can really customize and tailor the curriculum to your needs and interests. I’m grateful for the time I spent here.”

- Laura Zeng

NEW SOCIAL MEDIA PROGRAM THIS FALL

Social media isn't just a way to pass the time. You can make it a career with the new Digital and Social Media Marketing certificate.

Social media marketing is a rapidly growing field and has a role in almost all industries. For the certificate, you'll learn how to effectively use the many different social media platforms to create strategic content.

"Our advisory committee is made up of professionals working in the industry, and they pointed out how important social media skills are in most careers. We wanted to provide better training and support for the kinds of jobs our students are getting."

- Dr. Sheldon Walcher
Communication Arts, Humanities
and Fine Arts Dean

ADVANCE YOUR CAREER WITH SUPPLY CHAIN MANAGEMENT

Become part of one of the most important industries in our current climate. Pablo Londono felt stuck in his quality control position, and he decided to take an intro to supply chain management class at CLC. Since then, his education helped him earn a promotion.

"This program should be targeted to all business students. It teaches you how you really manage a company, through the supply chain. I was learning in theory what I'm doing in practice now."

- Pablo Londono
