Welcome Lancers!

At CLC, supporting every student to achieve their educational goals is our highest priority. We are excited to help you navigate your CLC experience with on-campus, online and hybrid student services and learning opportunities.

Student Guide: CLC offers many resources to support you in and out of the classroom, and this guide tells you how to access all of them. For example, you'll learn where to go for tutoring help, how to access emergency relief funds to help you financially if you need assistance, and when the library is open. Please take time to review this guide so you'll be set up for a smooth, productive semester.

Updates: Please check and read your student email every day to stay informed about important news and guidance related to on-campus learning and activities. Be sure to check the COVID-19 updates on the website to keep current on CLC's health and safety protocols. As we continue efforts to maintain a healthy on-campus environment, members of the CLC community are reminded to please stay home if you are feeling sick and contact covid19concerns@clcollinois.edu to report an exposure or to seek guidance. In addition, masks are recommended but not required in all campus spaces.

You are welcome here. And we are here for you: We commit to helping you have a positive student experience and providing all the resources you need. We also encourage you to enjoy your time at CLC. Engage in your classes, reach out to classmates, participate in campus activities, or take a break by Willow Lake or in one of our inviting student spaces on every campus.

Go, Lancers! Let's get learning! (And please remember to read your email.)

Dr. Lori Suddick, President, College of Lake County

Things to know before you go

Tell us if you're sick

For safety's sake: First, stay home; second, contact your primary care provider; then, let us know.

If you are:

- Experiencing COVID-19 symptoms, or
- Have a positive COVID-19 test result, or
- Have had close contact with a person known to have COVID-19 symptoms,

You must call (847) 543-2064 or email COVID19Concerns@clcollinois.edu within 24 hours.

We will normally contact you within 12 hours to obtain information and provide guidance for next steps. While waiting for a response, you should not come to campus.

- The decision on the need for quarantine/isolation lies with the health professionals on the COVID Concerns Team. Spending time in quarantine and isolation helps mitigate spread and helps keep everyone safe and healthy.
- You are required to notify your instructor of your absence.
- **Definition of “close contact”:** For COVID-19, Centers for Disease Control (CDC) define a “close contact” as “any individual who was within 6 feet of an infected person for at least 15 minutes (consecutive or non-consecutive within a 24-hour period) starting from 2 days before illness onset (or, for asymptomatic patients, 2 days prior to positive specimen collection) until the time the patient is isolated.”

Check yourself

Complete a daily health and wellness check. If you have TWO or more of these symptoms, you should stay home:

1. Temperature of 100.4 (or greater) degrees Fahrenheit/38 degrees Celsius
2. Cough
3. Shortness of breath or difficulty breathing
4. Chills
5. Fatigue
6. Muscle and body aches
7. Headache
8. Sore throat
9. New loss of taste or smell
10. Congestion or runny nose
11. Nausea and/or vomiting
12. Diarrhea
13. Any other COVID-19 symptoms identified by the Centers for Disease Control (CDC) or Illinois Department of Public Health (IDPH)

Keeping you safe on campus

- Physical distancing is recommended, especially in places where food is being served or available. Campus spaces have been configured to help individuals maintain six feet physical distancing.
- Wash your hands frequently using soap and hot water or use an alcohol-based hand sanitizer when soap and water are not available. Hand sanitizer stations are placed throughout campus.
- Masks are recommended but optional in all spaces across campuses. Free disposable masks are available at entry points and other locations throughout campus.

Testing and Vaccination Site Options

Testing: CLC offers free nasal swab COVID tests at no cost to CLC students and employees, by appointment only. Tests are administered by a nurse in Room C181, across from the Student Health & Wellness Center (C176) on the Grayslake Campus. Hours are Monday - Friday, 8:00 a.m. - 4:30 p.m. To make an appointment, call 847-543-2064 or email healthcenter@clcillinois.edu

In addition, students and family members can order free home COVID tests here: www.covid.gov/tests.

Find alternative testing locations by checking the [Lake County Health Department's online COVID19Testing Site Locator](#).

Vaccination: In partnership with the Lake County Health Department, College of Lake County encourages you and your family members to get vaccinated against COVID-19. You can find vaccination options by using these links: [Lake County](#) or Vaccines.gov.

Registration Policy

CLC seriously requires that students may not register for a class after it has begun. The policy states the final day to enroll is midnight of the first day of the specific class. After that first day, late enrollment will be allowed only under extraordinary circumstances approved by the dean of the division for the class.

Withdrawal Policy

Withdrawal deadlines are provided to you on your class schedule and many faculty list these dates on the course syllabus. Please consult your class schedule for specific dates for your class. It is your responsibility to withdraw from a class that you no longer wish to attend.

Your transcript and the grade for the course may vary depending on the time at which you withdraw or request to withdraw from a course. If you are unsure of what to do, please speak with your instructor or contact an Academic Success Advisor.

Grades and Grade Points

Final letter grades are earned for each class, issued at the end of each semester and recorded on the student's permanent academic record according to the schedule on the right:

For more information about incompletes, academic restrictions, academic appeals, or reinstatement, see College Policies in the catalog.

Academic Honors

Students who have earned a grade point average of 3.0 (B) or higher while enrolled in at least 6 semester hours of transfer or career courses during a semester are recognized by placement on the College Honor List for that semester.

The college engages in many transfer partnerships with four-year institutions that offer additional benefits when transferring, such as dual admission and scholarships. Don't worry if your school of interest is not a formal transfer partner. While we do have a growing list of universities with guaranteed transfer admission agreements, you can apply your CLC credits anywhere.

Choices of Successful Students

by Skip Downing, On Course

SUCCESSFUL STUDENTS...	STRUGGLING STUDENTS...
1. ACCEPT SELF-RESPONSIBILITY , seeing themselves as the primary cause of their outcomes and experiences.	1. see themselves as victims, believing that what happens to them is determined primarily by external forces such as fate, luck, and powerful others.
2. DISCOVER SELF-MOTIVATION , finding purpose in their lives by discovering personally meaningful goals and dreams.	2. have difficulty sustaining motivation, often feeling depressed, frustrated, and/or resentful about a lack of direction in their lives.
3. MASTER SELF-MANAGEMENT , consistently planning and taking purposeful actions in pursuit of their goals and dreams.	3. seldom identify specific actions needed to accomplish a desired outcome. And when they do, they tend to procrastinate.
4. EMPLOY INTERDEPENDENCE , building mutually supportive relationships that help them achieve their goals and dreams (while helping others to do the same).	4. are solitary, seldom requesting, even rejecting offers of assistance from those who could help.
5. GAIN SELF-AWARENESS , consciously employing behaviors, beliefs, and attitudes that keep them on course.	5. make important choices unconsciously, being directed by self-sabotaging habits and outdated life scripts.
6. ADOPT LIFE-LONG LEARNING , finding valuable lessons and wisdom in nearly every experience they have.	6. resist learning new ideas and skills, viewing learning as fearful or boring rather than as mental play.
7. DEVELOP EMOTIONAL INTELLIGENCE , effectively managing their emotions in support of their goals and dreams.	7. live at the mercy of strong emotions such as anger, depression, anxiety, or a need for instant gratification.
8. BELIEVE IN THEMSELVES , seeing themselves capable, lovable and unconditionally worthy as human beings.	8. doubt their competence and personal value, feeling inadequate to create their desired outcomes and experiences.
