

CLC CLASSES

FALL 2022

NONCREDIT COURSES

College  Lake County™

connect & succeed

DID YOU KNOW...?

October is Manufacturing Month

Throughout October, CLC celebrates manufacturing with events that showcase degree and certificate programs, career pathways and in-demand jobs available to the Lake County community. During Manufacturing Month 2022, there will also be a grand opening event for CLC's new Advanced Technology Center in Gurnee! Stay up-to-date on all the Manufacturing Month events by visiting www.clcillinois.edu/manufacturing

Small business success stories are available online

The past couple of years have been extremely challenging for small businesses. So now, more than ever, it is such a joy to highlight the successes of small businesses in Lake County! The Illinois Small Business Development and International Trade Center (SBDC/ITC) at CLC routinely shares success stories from their clients. Read the inspiring entrepreneurial stories by visiting <https://bit.ly/SBDCSuccessStories>

SBDC client, Winnie Industries

Staying connected with us is quick and easy

Follow us on social media and subscribe to our email list for the latest information about noncredit classes, events and resources available to the Lake County community! Navigate to our social media accounts and sign up for email communications related to your personal interests by visiting learn.clcillinois.edu

Are you a licensed PMP?

PMP holders need to earn 60 professional development units (PDUs) over three years to maintain the credential. If you are looking for a convenient way to refresh your skills and earn PDUs, sign up for Essentials of Project Management and Advanced Project Management and earn 14 PDUs for each section. Call (847) 543-2990 for more information.

Note: Experience, education and exam requirements are needed to obtain PMP certification in addition to the project management education fulfilled by the three courses offered here. For more information, visit <https://bit.ly/3i4A701>

Real Estate

BROKER PRE-LICENSING TOPICS: LIVE

This 60-hour course, with the Broker Pre-Licensing Applied Principles 15-hour course (PRLE 3), fulfills the new education requirements for obtaining an Illinois Real Estate Broker license. You are required to attend all scheduled sessions which include: introduction to the license law and real property; basics of agency, seller and buyer relationships and counseling; local, state and federal laws effecting real estate; brokerage, marketing and advertising; market analysis and appraisal; financing, contracts, independent contractor and employee status, occupational disciplines and business planning.

ServSafe Food Protection

SERVSAFE FOOD PROTECTION MANAGER CERTIFICATION

This course will prepare you to be certified or re-certified through the National Restaurant Association ServSafe Foundation. You will cover all major sanitation points, including how food becomes unsafe, proper precautions, personal hygiene, food contamination, regulations and inspection standards. The nationally recognized ServSafe Exam is given as part of this

course. Upon successful completion of the ServSafe Exam, you will receive a copy of your ServSafe Food Protection Manager certificate, which is nationally recognized.

Note: As of January 1, 2018, the Illinois Department of Public Health will no longer require a state FSSMC certificate.

A textbook is required and may be purchased in the CLC Bookstore prior to class. **Note:** It is highly recommended that students read the

textbook and review chapter quizzes prior to class in order to prepare for the certification test at the end of the course.

Education and Social Sciences

Designed for those looking to keep up-to-date on current trends in teaching or build on their vocational skills, these courses are perfect for current educators and those that love to learn.

Personal Success Program

The Personal Success Program (PSP) offers a variety of vocational courses to meet the needs of students 18 years and older with mild to moderate cognitive impairment. The program's focus is on gaining vocational skills to acquire entry-level employment.

Each class is led by a content expert who has experience teaching people with disabilities. A special education teacher is present in most classes to provide additional support. The curriculum is designed to be delivered at a level and pace appropriate to each student's needs.

All new students must be interviewed to determine eligibility prior to enrolling in classes. For a new student interview, please call (847) 543-2990. Visit <https://bit.ly/36viGQU> for course information.

CAREER EXPLORATION

Explore the world of work with such topics as getting and keeping a job, employment readiness, time management skills, getting along with co-workers and supervisors, team building, career exploration, job searching techniques, completing an application, resume and interviewing skills. This program is the core of the personal success program and is recommended for first time participants.

Thursday, October 6 to December 15
10 a.m. to 12 p.m.
10 Sessions
University Center of Lake County, 311
\$399 G. Johnson

READING FOR THE WORKPLACE 1

Unlock the keys to better reading and spelling to help you be more successful at work and in your daily life. Find out why "buzz" is spelled that way, how to divide words into syllables and what happens when you add an "e" to the end of a word. You will learn by seeing, hearing and physically experiencing the concepts. The first hour of class will feature lessons based on the SLANT system for Structured Language Training. The second hour will consist of reading and spelling games and activities to practice the previously taught concepts.

3996 PPSP 2-001

Tuesday, September 13 to December 6
10 a.m. to 12 p.m.

A TASTE OF ZENTANGLE® ART

Zentangle is a combination of meditation and art. If you can hold a pen and write your name, you can learn how to create beautiful artwork using this drawing method. Even just a few minutes of this drawing method can have a calming effect.

Art is powerful in reducing anxiety and increasing coping skills, enhancing self-esteem and self-awareness. You may want to pursue a career in creating and selling your art or use art as a calming hobby to offset work responsibilities and life's demands.

10 a.m. to 12 p.m.
8 Sessions
University Center of Lake County, 321
\$299 L. Soto

Note: PSP classes will not meet the week of Thanksgiving (November 21-25).

Teacher Education

DEVELOPING STEM COMPETENCIES THROUGH ROBOTICS

This one-day course provides middle and high school educators an introduction to using Tetrix robotics kits for competition. The intended audience is teachers who plan to coach or mentor teams in the Lake County Robotics Competition (LCRC) or who would like to otherwise integrate robotics into their curriculum or club-based activities. This is a hands-on class in which participants will both learn about and assemble structural components, motors, servos, gears, power supplies and more.

Essentials of the Arduino programming interface and use of existing Arduino block coding to control the robots will be reviewed. Participants who complete the course and are interested in entering a team into the next year's LCRC will receive a loaner kit worth \$1,500 for use with their team.

Eligible for 7.5 PDs for teacher continuing education.

WELDING ESSENTIALS I

This course is designed for artists, beginner fabricators and hobbyists to learn welding safety and fundamentals. Students will practice the four primary processes of arc welding including: Stick, MIG, Flux Core, TIG and various cutting processes. While learning and practicing these fundamentals, students will acquire an understanding of what processes best suit their desired application. The course will begin with a detailed overview of welding and metalworking safety. Every class meeting will feature instruction and practice in these common welding processes.

TRUCK DRIVER TRAINING (CDL)

Get on the Road to Your New Career! By earning your Commercial Driver's License (CDL-A), you can train for a variety of high demand opportunities in Lake County.

TRUCK DRIVER TRAINING (CDL)

Students will engage in classroom instruction and behind-the-wheel training in this 160-hour basic training course that meets all state and federal requirements. Students will receive the knowledge and support necessary to pass their CDL permit exam during the first week of class. They will then gain the experience and skills required to prepare for the state-issued Commercial Driver's License (CDL) exams, including the pre-test inspection tests, skills tests and road tests. Students will learn CDL laws, use of controls, safe driving techniques and defensive driving. Students will be taught and mentored by experienced trainers, with a low instructor-to-student ratio to provide individualized training and support. Job placement assistance is also included.

If you are interested in this class, please contact us at (847) 543-2990 or professionalworkshops@clcillinois.edu.

This program is flexible and can be completed during days and weekends. Students may choose to attend full time or part time.

Please note that training may need to be adjusted to accommodate State of Illinois restrictions and requirements.

Public Safety

POLICE EVIDENCE TECHNICIAN BASIC

Law enforcement officers will develop CSI skills which will give them the knowledge and practical experience to do every forensic and evidence technician investigation in a professional manner. Topics include photography of crime scene and evidence, diagrams and field sketches, crime scene processing, trace evidence, bloodstain evidence, crime scene management and fingerprint processing. Special emphasis will be given in: burglary, theft, fire and arson investigations, death and sexual assault

investigations, impression evidence, macro photographic techniques, tool and bite marks, firearms and report writing. Students must bring departmental camera, tripod and flash. This course is certified and reimbursable through the Illinois Law Enforcement Training and Standards Board for Illinois officers. The Evidence Technician class is designed for law enforcement professionals; however, we have opened seats to college students in forensic science studies, high school forensic science teachers and insurance or fire investigators. Requests to attend

will be reviewed and approved on a case-by-case basis. Contact (847) 543-2990 or professionalworkshops@clcollinois.edu to determine eligibility.

NLN PRE-ENTRANCE EXAM PREPARATION

Most Health Career programs at the College of Lake County require potential students to take the National League for Nursing (NLN) pre-entrance exam. This preparation course should ideally be taken several months BEFORE you plan to take the exam. Content experts will review basic test-taking strategies, key math concepts, biology, chemistry, physics, reading comprehension and word knowledge skills. The course is designed to help you create a study plan, determine where you should most focus and provide resources to assist in preparing. In addition to access to curated preparation materials, instructors will schedule virtual live sessions to review challenging material.

Veterinary Assistant Training

If you have a nurturing spirit and a desire to help animals, consider a career in the veterinary field! This course trains students to assist veterinarians and veterinary technicians in providing medical care to companion animals. Students training as veterinary assistants will also learn front office procedures as well as how to assist in examinations, hospital procedures, surgical preparation, and laboratory tests, medical terminology, pharmacology, diagnostic imaging and client relations.

This 250-hour NAVTA approved course includes a 100-hour clinical externship experience. Please note that the clinical externship will most likely take place during normal business hours and successful completion of the externship is required to complete the course. Externship dates will

be given in the first month of class to ensure ample time to inform current employers of your training, if needed, as time off from work may be required depending on your schedule. Students must complete a background check at an approved provider in order to participate in the clinical externship portion of the program. Students will also be required to provide proof of current health insurance. Prior felony convictions may prevent participation in the program. The fee for this service is NOT included in the course fee.

Course Prerequisites and Special Notes:

A high school diploma or GED is required. In addition, students must have the following minimum abilities: psychomotor skills (eye-hand coordination and finger dexterity), visual acuity (normal or corrected), and the ability to lift 30 pounds in the clinical setting.

Students may be required to meet specific health requirements and drug testing prior to placement in the clinical portion of the course. This is based on the requirements of the externship site and will be determined at placement. Any fees to meet health requirements are NOT included in the course fee.

Broadcast Communications and Voice-overs

Fall voice-over classes will be virtual live. Students will need the following: computer with webcam, headphones (optional) and a valid email address to receive class handouts. Prior to class, sign up for a free Audacity account at <https://www.audacityteam.org/download/>. Voice-Over: Fundamentals is the prerequisite for all Voice-Over Breakout classes.

VOICE-OVER: INTRODUCTION

Are you curious about the world of voice-over? Learn the craft of voice-over acting from the perspective of an advertising creative director who has hired voice actors for over 30 years. Explore what it takes to produce a demo reel that gets listened to. Our overview will include opportunities in the world of radio and television commercials, audiobook, industrial films and web productions.

Friday, December 16
6-9 p.m.
1 Session
Grayslake Campus, TBA
\$50 R. Salata

Glassblowing

Glassblowing classes meet at Peter Patterson Glassworks, 888 Tower Road, Unit E, Mundelein. Proper attire is mandatory: long-sleeved cotton shirt, long pants, socks, close-toed shoes, a pair of sunglasses. Course fee covers all materials. Class time may vary depending on the number of students. Pieces need to cool so you will be able to pick them up in three days. Call (847) 543-2980 for more information. Parents of students age 14-17 must sign a waiver with Patterson Glassworks. Due to the nature of these classes, withdrawals must be made at least 48 hours prior to the class start date. If less than 48 hours, no refund will be available.

All of our glassblowing classes are intended for beginners with little to no hot shop experience. The hands-on classes will use various processes and colors. Join us to gain an appreciation of working with hot glass!

CREATING A TASTE OF GLASS

Make four different round paperweights: Urchin, pen/ring/note holder, flower and window sparkler.

Outdoor Recreation

STORM CHASERS: UNDERSTANDING SEVERE WEATHER PHENOMENON

Experience an exciting introduction to severe weather phenomenon, the forecasting techniques involved and how to observe such events safely. Ideally this four-week class will meet twice in the classroom and twice in the field guided by an experienced storm chaser. Get a close-up view of the equipment in a storm chaser vehicle. You are responsible for your own transportation to the field locations. If you are unable to attend in the field, virtual

learning may be an option but is highly dependent on internet coverage in the field.

4043 CREC 37-001
 Wednesday, October 5-26
 7-9 p.m.
 4 Sessions
 Grayslake Campus, TBA and Off Campus (Location TBD)
 \$79 J. Walters

Trips and Tours

MILWAUKEE CATHEDRAL TOUR

Discover unbelievable European architectural and historical treasures without leaving the Midwest. Visit Milwaukee's Church of the Gesu and St. Joan of Arc Chapel, St. Stanislaus and the Basilica of Saint Josaphat. Feast your eyes, mind and your palate during this relaxed tour of discovery. Transportation and lunch are included. There will be considerable walking and stair climbing. Wear comfortable walking shoes.

Bus will depart from CLC parking lot 2 across from the CLC Horticulture Building at 8:30 a.m. and return at 5 p.m. Plan to arrive at least 15 minutes prior to departure time. Please note: Every effort is made to conduct all tours as described. Substitutions may be necessary when situations arise that are beyond our control. Cancellations for tours may be made up to 14 business days before the tour. After that no refund is possible.

ADVENTURES OF HUCKLEBERRY FINN: MARK TWAIN'S MAGNIFICENT FAILURE

Huckleberry Finn is a picaresque adventure of an escape from slavery and abusive family life with an oppressive culture. It is a work of comic satire and a critique of progress, civilization and a warped society that allows some people to enslave others. Shortly after its publication, the book was proclaimed a classic. However, critics often suggest that Twain's failure of nerve keeps the work from developing its most crucial theme and being the great American novel it might have become. This talk examines what is right, and wrong, with Mark Twain's most familiar and significant writing.

Steps to Register in Noncredit Courses

1. Select Course(s)

- Navigate to learn.clcillinois.edu to browse Professional Development and Personal Enrichment courses.
- Click on a course name to see section availability. Select a section to begin the enrollment process.
- If “Add to Cart” is displayed, continue to Step 2: *Create a Noncredit Account and Pay*
- If “Begin Enrollment Process” is displayed, skip to Step 3: *Apply for Admission*

2. Create a Noncredit Account and Pay

- This login information is different from your CLC ID/Login and begins with an “X”
- Complete your personal and contact information. Read and check the box stating you understand the privacy policies.
- Select courses require an application to allow enrollment. Complete the online application and check the email associated with your Noncredit account for enrollment instructions.
- Resume the enrollment process by clicking on the shopping cart icon at the top of the page. Advance the process by clicking “Continue Checkout” after reading page content.
- Enter your credit or debit card information when prompted. All other payment methods need to be processed through a Noncredit office. Contact us at learn.help@clcillinois.edu with questions.
- Once you click “Confirm” you will reach a confirmation page and a receipt will be sent to the email address associated with your Noncredit account.

3. Apply for Admission, Register and Pay (Only required for some courses)

- To get your CLC ID, complete the Student Admission Form at clcillinois.edu/apply
- You will be emailed a CLC myLogin username and temporary password in two separate emails after application processing (usually one business day).

- Contact the ITS Service Desk for login assistance at clcillinois.edu/helpdesk or (847) 543-4357.
- With a CLC ID, enter the myCLC student portal at clcillinois.edu with login information and select “Student Center.”
- Click “Search for Classes” and specify the semester and subject. Select class by clicking on “Shopping Cart,” checking the box next to your class and clicking enroll. For more information, visit clcillinois.edu/admission.
- You will be emailed when your billing statement is available in myCLC. It is the responsibility of the student to meet payment deadlines. Payment plans (when applicable) and payment should be finalized before the first day of class.
- Visit clcillinois.edu/paying-for-college/how-to-pay for more information.

Registration Help

- For Personal Enrichment courses, call (847) 543-2980 or email cpinfo@clcillinois.edu for assistance
- For Professional Development courses, call (847) 543-2990 or email professionalworkshops@clcillinois.edu for assistance
- Hours of operation for both departments are Monday-Friday, 8 a.m. to 4:30 p.m.

Withdrawals and Refunds

- Students who do not attend or do not plan to complete a class they have enrolled in are responsible for officially dropping the class.
- Students who do not attend or stop attending class, but do not officially drop, will remain responsible for all tuition/fees for the class.
- Refund requests will be reviewed and issued to eligible students.
- Unless otherwise noted in the course description, students who enroll through the Noncredit Registration system must drop at least one day before their scheduled class begins for a full refund. Questions for these courses can be addressed to learn.help@clcillinois.edu.
- Courses in myCLC post individual drop deadlines. This can be found in “My Class Schedule” after clicking on the calendar icon next to the class. Further information on drop deadlines for these courses can be addressed to the Office of Registrar and Records at (847) 543-2061.

Senior Citizens

All in-district residents who are 60 years of age or older at the time of registration may receive a 50% tuition discount for select courses through Professional Development. Fees remain unchanged. The only eligible noncredit courses are those that require registration through the myCLC student portal. Contact professionalworkshops@clcillinois.edu or (847) 543-2990 to learn more.

Room Assignment

Check your schedule in learn.clcillinois.edu or the myCLC student portal, depending on registration point.

Clery Act

The College of Lake County is committed to maintaining a safe and secure educational environment. This report is available on the CLC Police Department website at www.clcillinois.edu/clery.

Courses start at various dates throughout the term; some courses begin as late as December. Keep this schedule handy and refer to it through December 2022. The information contained within is accurate as of July 2022, but is subject to change. For the most up-to-date information, visit learn.clcillinois.edu.

Continuing Education Vocational Credits

Continuing Education Vocational Credits do not apply to any degree or certificate program offered at the college in the academic divisions. Vocational credits will not be added to a student’s academic credit hours or included in the GPA. Students receive a grade of P (Pass) or N (No Pass). Call (847) 543-2990 for more information.

Save Lives with Defensive Driving

Judicial Services offers opportunities to improve your future and the future of your community through courses, workshops and volunteer opportunities.

Partnering with the 19th Judicial Circuit Court for over 30 years, Judicial Services offers the National Safety Council's award-winning Defensive Driving Courses including the "Alive at 25" program. This course is proven to save the lives of young drivers.

Distracted driving is on the rise. Motorists of all levels can benefit from learning defensive driving skills. Register for a course today.

"I just missed being killed by about three seconds."

– Christine Burke praising CLC's defensive driving course.

Christine Burke of Lake Barrington enrolled in our Defensive Driving Course. While driving less than a week later, she used a lesson from the course to narrowly avoid getting smashed broadside by a car that ran a red light.

Burke said that she hesitated at the intersection, recalling a tip she learned in the defensive driving course called "delayed acceleration" waiting two or three seconds before entering an intersection if yours is the first car there. She credits this decision with saving her life.
