

**COMMUNITY COLLEGE DUAL ADMISSION ARTICULATION AGREEMENT
BETWEEN COLLEGE OF LAKE COUNTY, GRAYSLAKE, ILLINOIS**

and

AUGUSTANA COLLEGE, ROCK ISLAND, ILLINOIS

THIS AGREEMENT is entered into by and between Augustana College (Augustana), a not for profit corporation located at 639-38th Street, Rock Island, Illinois and College of Lake County (CLC), a public community college located at 19351 West Washington Street, Grayslake, Illinois.

A. STATEMENT OF PURPOSE

There are many pathways from students' days in school that transpire into meaningful, satisfying early adulthood. The purpose of this Agreement is to help clarify one such pathway that might be compelling for many bright, fiscally cautious students. It provides students entering Lake County a way to envision the possibility of completing both an Associate and a Bachelor's degree and provides them the guidance and support needed to pursue that goal. Research literature and experiences with students resulted in the structuring of the Agreement around three values:

- **Clarity:** students should be able to see all of the steps and where they might lead
- **Predictability:** students should have confidence that no surprise requirements will emerge
- **Transparency:** students should know they have easy access to informed, supportive guidance throughout.

CLC wishes to provide student instruction leading to an Associate of Arts (AA) degree that will enable their enrolled students the opportunity to transfer to Augustana College to earn a Bachelor of Arts (BA) degree.

Augustana College has an accredited program to offer BA degrees and wishes to provide students enrolled at CLC the opportunity to dual enroll at Augustana College.

**AUGUSTANA
NEXT**

The parties, in consideration of the terms, conditions and covenants, mutual or otherwise, as set forth in this Agreement, agree to provide CLC students the opportunity to access and complete a Bachelor of Arts Degree program at Augustana College, under the terms and conditions hereinafter set forth.

B. GENERAL TERMS OF THE AUGUSTANA NEXT PROGRAM

1. Students applying for admission to the **Associate in Arts program** at CLC may simultaneously apply to Augustana College (Dual Application). There is no additional fee for Dual Application at Augustana College. Application to Augustana does not obligate the student who applies for Dual Application (Dual Applicant) to attend Augustana or limit their ability to apply to other schools.

2. Dual Application is not available to students seeking Associate of Science, Associate in Fine Arts, Associate in General Studies, or Associate in Engineering Science degrees at CLC. Those students may be covered by separate, targeted agreements between the colleges.
3. Dual Applicants shall:
 - a. Receive an **Augustana student identification card**, which will give the Dual Applicant an Augustana email address and will allow access to the College's library, library databases, campus facilities, sporting and cultural events.

Augustana will evaluate courses not included in the General Education Core Curriculum (GECC) or without an Illinois Transfer Initiative (IAI) code for transfer eligibility based on an official transcript from CLC.
2. Students may follow "transfer pathways" into an Augustana major that will outline CLC courses approved by Augustana for credit towards a BA degree from Augustana, and approved to satisfy certain disciplinary prerequisite courses for a major at Augustana.
3. Students earning an Associate of Arts degree will be deemed to have **completed Augustana's first-year inquiry and learning perspective (LP) general education requirements**.
