

## College of Lake County – DePaul University, School of Continuing and Professional Studies

---

### *Program Plan for Associate in Arts and Associate in Applied Science in Business Administration to the Bachelor of Arts in Professional Studies with a major in Business Administration*

This program plan agreement is entered into by College of Lake County (CLC) Business program faculty and DePaul University School of Continuing and Professional Studies (SCPS) faculty for the purpose of creating degree pathways for CLC students who successfully complete the Associate in Arts Degree Plan 13AB for Business or the Associate in Applied Science in Business Administration into the Bachelor of Arts in Professional Studies with a major in Business Administration at DePaul University.

College of Lake County and DePaul University faculty agree to the following:

College of Lake County and DePaul University will collaborate and coordinate on course and program content to facilitate transfer and eliminate course duplication, in accordance with program and degree requirements of their respective schools.

College of Lake County program faculty agree to assist and advise all students who desire to continue their studies toward the achievement of the Bachelor of Arts in Professional Studies, Business Administration at DePaul University's School of Continuing and Professional Studies.

DePaul University's School of Continuing and Professional Studies agrees to accept all course credit completed at College of Lake County in accordance with the mutually agreed upon program plan recommendations below. Up to 66 semester/99 quarter hours of community college credit, including from the College of Lake County, will be applied to the DePaul degree.

College of Lake County and DePaul University agree to periodically, minimally one time per year, review the course recommendations and to update and maintain them in keeping with current curricular requirements.

The faculty will inform one another when changes to course, program, and/or degree requirements are made.

This is a **RECOMMENDED** course sequence for students interested in pursuing a degree from DePaul's School of Continuing and Professional Studies. If this program plan is followed, students will earn either an Associate in Applied Science (AAS) or Associate in Arts (AA) and a Bachelor of Arts in Professional Studies (BAPS) degree. Transfer courses and their equivalencies, and program requirements change as courses and programs are updated frequently.

Students must earn a grade of 'C' or better to apply courses to the DePaul major requirements. No more than half of CLC courses may be applied toward the major at DePaul. Students should select transferrable coursework from CLC as noted in DePaul University transfer credit tools at [www.depaul.edu/admission-and-aid/types-of-admission/transfer-student/transferring-your-courses](http://www.depaul.edu/admission-and-aid/types-of-admission/transfer-student/transferring-your-courses).
