

**Guaranteed Transfer Admission Agreement Between
College of Lake County
And Institut de Gestion Sociale (IGS), acting on behalf of
The American Business School of PARIS (ABSParis)***

College of Lake County and The American Business School of Paris agree to a cooperative relationship through this Guaranteed Admission Agreement to better serve students and facilitate the transfer process.

This agreement offers College of Lake County students Guaranteed Admission to The American Business School of Paris to complete their Bachelor's degree. Students must meet all of the requirements outlined in this agreement to guarantee their admission to The American Business School of Paris.

*IGS is a French nonprofit association. ABSParis is a French higher education institution located in Paris, France.

1. Academic Requirements

- a. Students have completed both ENG 121 and either ENG 122 or ENG 126 with grades of C or higher to meet the English proficiency requirements of The American Business School of Paris. Students will not need to submit separate proof of English proficiency at the time of application.
- b. Students must have graduated from high school (as evidenced by a high school diploma or GED) and complete a minimum of 24-30 transferable credit hours and maintain a cumulative grade point average of 2.75 on a 4.0 scale on all transferrable course work taken at the College of Lake County prior to admission to the Guaranteed Admission Program.
- c. Students are expected to enroll and complete general education and coursework required for admission into their The American Business School of Paris degree program within three years of initial enrollment in the Guaranteed Admission program with a maximum of 64 credits that will be applied to their baccalaureate degree. Courses numbered lower than 100-level and courses not deemed transferable are not included in this agreement.

2. Admission Requirements

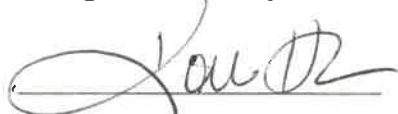

- a. Students must authorize the College of Lake County and The American Business School of Paris to disclose their educational records, including but not limited to, academics, admission, financial aid, and advising information as appropriate. By signing the participation form, students agree to allow the two institutions to share information and to allow the student to take advantage of the Guaranteed Admission program of the reverse degree process. Students may also receive communication from The American Business School of Paris informing them of presentations, workshops, activities, student events, and visits.
- b. Students must be in good standing at College of Lake County at the time of transfer. Students must adhere to each institution's standard policies and procedures including but not limited to those dealing with admission, enrollment in courses, transfer credits, financial aid, student conduct and discipline, academic probation, dismissal and reentry.
- c. Students who achieve a transferrable GPA of 2.75 on a 4.0 scale will have Guaranteed Admission to the Honor's Program at The American Business School of Paris. Additional application materials are required to be admitted into the Honors Program.
- d. During enrollment in the Guaranteed Admission Program, The American Business School of Paris will provide advisement to students to discuss academic program requirements and transfer credit policies. It is recommended that students track their degree progress by working with their transfer advisor at College of Lake County and The American Business School of Paris.
- e. Students are eligible to transfer into the BBA program at The American Business School of Paris. See appendices A, B, C, D for transfer guides that outline the transfer pathways for the A.A.S. in Business Administration and the A.A.
- f. Second year students may apply for scholarships (awards are based on financial need, school involvement, and academic success). Tuition is affordable and internships are guaranteed to be paid (when done in France), significantly offsetting the cost of tuition. See Appendix E for tuition costs.

3. Other Terms

- a. Failure to meet the requirements above does not preclude the student from applying and being considered for admission to The American Business School of Paris using the traditional admission process.

- b. College of Lake County will publish this document on their website so that the details of this agreement are available to students interested in participating in the program. The American Business School of Paris and College of Lake County will have the right to review and approve all advertising for the Guaranteed Admission program.
- c. By means of a separate Memorandum of Understanding (MOU), at the college's request, The American Business School of Paris will facilitate the transfer of credit back to the College of Lake County if students transfer to The American Business School of Paris before completing an associate's degree. The reverse transfer MOU enables the College of Lake County to award degrees following student transfer.
- d. This agreement will remain in effect until mutually agreed upon change is deemed necessary. Any changes to the program in regards to any part of this agreement, must be in writing so that this agreement can be re-evaluated. Notice of changes shall be provided at least 60 days prior to the first day of instruction (at both institutions) of the academic year in which the change will be implemented.
- e. Should the program be dissolved, students who are participating at that time will be guaranteed transfer into The American Business School of Paris provided they satisfy all program requirements.
